KCC teachers are awesome because of how much they love our kids☺ - KCC Parent

KCC has great teachers who love their students. – KCC Parent

We love KCC because it provides a sense of comfort and stability that I cannot thank them enough for. I truly feel like my son is cared for, and as a single mom just that peace of mind means more than I can express! Much appreciation and gratitude. – KCC Parent

KCC saved us first-time parents the unpleasantness of potty training. We were told one day to send underwear in our notes from a teacher and we can take no credit that our child managed to have less than 5 accidents in her entire life. – KCC Parent

KCC worked with Birth to 3 to help our child overcome gross motor developmental delay. In-home services were miserable but moving them to KCC helped her progress immensely with the help of her amazing teachers pushing her to grow. – KCC Parent

KCC cultivated a love for reading and writing before elementary school, helping her navigate that difficult transition into kindergarten and helping her to trust her future teachers. Thank you to all the teachers in all the classrooms, you make such a difference in the lives of our children, and we are so thankful for each and every one of you. – KCC Parent

We love KCC because of the family atmosphere between teaches/kids/parents of children. The children are SO well taken care of and loved by the teachers like their own. –KCC Parent

3 favorite things about KCC are: the variety of food given, the photos/messages given thru teaching strategies, and all the amazing things the teachers do for the kids. – KCC Parent

Memorable moments from KCC include every milestone our child has that has happened because of the care and teachers at KCC, they helped guide the way with EVERY single one! – KCC Parent

All my kids have bonded with several teachers throughout their time at KCC, and I know that when I drop them off, they are in good hands. – KCC Parent

I love that the teachers can remember having my kids and things about them even after they are no longer in that classroom. – KCC Parent

KCC isn't just having someone watch my kids. It's a place where my kids are getting an education even before they start school, and as parents we are very grateful they have that opportunity. – KCC Parent.

KCC has changed our lives. The 3-4 year old teachers – her personality is like a breath of fresh air. Every time I talk to her I feel like I'm talking to my best friend. He is such a nice and funny guy. Plus, he serves his community as a firefighter and he's a great cook! – KCC Parent

KCC has changed our lives! After going through too many centers to count, KCC has been a blessing all around. My daughter absolutely loves coming to KCC and the teachers have made dropping off in the morning's one of the favorite times of my day. I'm grateful for the kindness, compassion and great care you all provide our baby! I also thoroughly enjoy my brief but funny conversations with Cindy every morning. You have got a good thing going, KCC! We are glad to be a part of it. – KCC Parent

KCC means so much to us because our kids get hugs on the way in from friends and a warm greeting when they arrive in the classroom. It feels so good knowing they have a whole world of experiences at KCC and we get to peak into it 2x a day. KCC Parent

We appreciate the thought and care that goes into all the kids' activities and projects, they are filled with pride when they see their work or get to show us their work. KCC Parent

I remember getting the call from the director that there was an opening in the baby room, and we were up for the spot. I might have shed happy tears. Almost 2 years later and I'm so thankful for everything you all do at KCC. I've been in your shoes teaching little minds and it's a thankless job sometimes. Each and every day I appreciate knowing my daughter is going to be cared for all day while we are at work. We're hoping to move in the near future, and I don't want to go anywhere besides Lake Mills so we can stay at KCC! Thank you, to all of you for doing what you do! – KCC Parent

Because of the people at KCC we have three happy, thriving, smart and kind kids. I'm grateful every day that we have such dedicated KCC teachers and staff in our lives. – KCC Parent
