

Kuhl Crew Summer Camp

June 2026

Each day will include **DEARRR Time** (*Drop Everything And Read*, *dRaw*, or *wRite*) and journaling.

Kuhl Crew Cares: We will partake in community service projects over the summer.

Virtual field trips (VFT) will utilize the internet, and may utilize additional support activities using an electronic device.

Activities: Each week there will be a variety of activities for the children, including Arts/Culture, Cooking, Nature/Living Things, Health/Wellness/Physical Activity, and STEM (science, technology, engineering and math). A detailed schedule with additional activities, information, and times will be made available to families on a weekly basis.
